Belden Noble Memorial Library  
2759 Essex Road, Essex, New York  
518-963-8079

## WHEN

Sunday, February ??  
at 3:00 PM

## WHAT

Our first topic - **IMMIGRATION** - is in the news and on our minds.

What are your thoughts on immigration? Come share them in this open conversation guided by Essex residents Katharine Preston and Nick Muller. All opinions are valued at this event, and all are welcome. Future discussion topics will be chosen by participants.

**WHY** In our role as a community gathering space, the library will be hosting a conversation series. This will be the first of what we hope will be an ongoing program bringing neighbors together to discuss topics in the news, and on their minds.

**FOR MORE INFORMATION, PLEASE CALL THE LIBRARY AT 518-963-8079**
